

About Bulgarian Association for People Management

Bulgarian Association for People Management /BAPM/ is the only one nationally represented organization of HR directors, managers, and specialists in Bulgaria. Established in July 2000, currently the BAPM members' database includes more than 2000 HR professionals, representatives of more than 850 companies. Every year BAPM organizes big international conferences under different people management topics. The Association is a member of the European Association for People Management (EAPM) and the World Federation of People Management Associations (WFPMA).
